★被引用記事情報 (Citing Articles)

現在表示されている記事が他の記事に引用されている場合は、その引用情報を表示できます。ARTICLE MENU の Cited by Articles からリンク方法を選択して表示します。

The screenshot shows the 'ARTICLE MENU' on the left side of the page. Under the 'Cited By Articles' section, there are three options: CrossRef, Google Scholar, and Cambridge Journals Online. A red circle highlights this section. The main content area shows an abstract about drag and lift forces on a spherical water droplet.

The screenshot shows the 'Cited By' page for a specific article. Under the 'Cited by CrossRef' section, several articles are listed. One article by Tobias M. Schneider, Filippo De Lillo, Juergen Buehler, Bruno Eckhardt, Tim Dornemann, Kay Dornemann, and Bernd Freisleben is highlighted with a red circle. An arrow points from this circle to the corresponding article page in the Physical Review E journal.
